Dear Sir/Madam:

We are returning the document(s) you submitted because certain requirements of the filing have not been met.

The reason(s) why we could not accept the enclosed filing are indicated below. Please resubmit the documents for filing with the required information and corrections as soon as possible. We can process your resubmitted paperwork more quickly if this letter is attached.

1. "Beneficial Owner/Member information for this LLC is missing. Under the Miscellaneous Provisions Category you did not list the Name and Address of the Beneficial Ownership of the LLC such as a Manager or Member. Please see the Instruction Sheet (the first screen you come upon when initiating or editing a filing) for a definition of a beneficial owner.

Please edit the filing to add the above missing information then resubmit."

2. This rejection letter must be responded to no later than 60 days from the date of this letter; failure to respond to this letter in this time frame will result in retention of the filing fee and requirement to reapply for corporate filing and repayment of the filing fee.
